

## FRIENDS OF FORT POINT'S ANNUAL PUMPKIN PAGEANT

On October 28th, businesses around Fort Point Channel were invited to participate in a pumpkin carving pageant. All pumpkins were displayed outside of the Children's Museum as the public voted for the winner in the following categories: scariest, overall favorite, funniest, and most original. Here are MPA's creations, along with some of the competition.

The angry/hungry pumpkin begins to take shape

Taking some measurements...

The victim (A fan favorite)!

"La Parca" waits to be carried outside

The finished product...Spooky!

## COMPETITION AND DISPLAY

The competition was definitely fierce, and all of the submissions looked excellent - but the MPA two were definitely our favorites! Thank you to everyone who voted, and especially to Friends of Fort Point for putting on the pageant. See you all next year!

Here is the winner for scariest pumpkin, all lit up at The Barking Crab
